## Coronavirus (COVID-19): Update – municipal services

Municipality of Pontiac

April 20, 2020 – 3:00 p.m.

### What you should know :

- The re-opening of residential construction sites announced by the government does not mean that there is a complete resumption of issuance of permits by the Urban planning department;
  - Permit analysis will be made on a case-by-case basis according to the new government directives that are evolving day by day.
- The Municipality's Fire Department advises against all open fires in or near wooded areas;
  - This measure is in line with recent government guidelines in order to preserve the operational capacity of the *Société de protection des forêts contre le feu* (SOPFEU) as well as various municipal fire departments during the pandemic.
- FREE consultation of books and magazines online;
