CORONAVIRUS (COVID-19): Halloween

Municipality of Pontiac

October 29, 2020 – 4:00 p.m.

What you should know:

- The latest government measures announced earlier this week, placing the Outaouais region in the Red Alert Zone until November 23, 2020, bring several restrictions on Halloween activities:
<https://www.quebec.ca/en/health/health-issues/a-z/2019-coronavirus/answers-questions-coronavirus-covid19/gatherings-activities-covid-19/>
- Consequently, facing these various government restrictions, the Municipality has decided to cancel its Halloween-related activities: The candy distribution at City Hall and the display of a haunted house decorated by our firefighters in the Quyon area will not take place.
- For those who chose to go out trick-or-treating, here are the government guidelines for a safe Halloween:
 - Restrict movement and the accompaniment of children solely to the members of the household;
 - Limit trick-or-treating to the neighbourhood surrounding the participant's home and do not enter houses;
 - Always stay 2 metres away from other people, wear a face cover and avoid singing out loud or shouting in front of other people;
 - Hand washing is recommended, if need be, and upon returning home.
- Precautionary measure related to treats:
 - As much as possible, the government recommends that the treats be placed in an area at least 2 metres from the occupants of the house visited.
