March Council Meeting Highlights

- The Municipality is presenting an application for financial assistance to the Quebec 9-1-1 Municipal Agency in the amount of **\$10,000**, as part of Phase 2 of their program, in order to respect the new regulation enacted by the Minister of Public Security on April 20, 2018.
- The Municipal Council is cancelling the portion of the mandate defined in resolution 18-05-3427 given to CIMA+ to request an authorization from the MDDELCC as part of the rehabilitation project of de la Montagne Road – Phase 2, therefore it is a reduction of the mandate amounting to \$5,500 excluding taxes.
- The Municipality of Pontiac is committed to purchasing lot 2 683 186 located at 85 Bord-de-l'eau Road, for the nominal sum of \$1.00, property that sustained extensive damage during the May and April 2017 spring floods.
- The Municipal Council authorizes the interim Recreation and Community Life Coordinator to:
 - fully dispose of the provided amount of \$10,000 (budget item 02 70100 447) to implement the 2019 day camp program
 - to post the positions and start the recruitment process
 - to set the registration fees for the day camp at \$125 per child per week.
- The Municipal Council adopted a resolution (abrogating resolution 18-08-3514) authorizing the Director General to sign the financial assistance agreement or any protocol agreement pertaining to the grant received from the Development of Sport and Physical Activity Fund Program - Phase IV of the Ministry of Education and Higher Education for the Luskville Recreational Park.

Public Safety – fire prevention

As part of its fire prevention strategy, the Ministry of Public Safety broadcasts every month a fire prevention tip. The Ministry and its partners offer this fire prevention capsule entitled “It’s time! Check your alarms” and would like to remind you of fire safety tips regarding the verification of your smoke alarms.

This thematic capsule is available on the Ministry of Public Safety’s [Facebook](#) page, [Instagram](#) or [Website](#) where you can view all of the fire prevention messages.

C'EST L'HEURE !

VÉRIFIEZ VOS AVERTISSEURS

Vérifier l'avertisseur, c'est :

- Tester son bon fonctionnement.
- Vous assurer qu'il est installé au bon endroit, sur chaque étage de votre domicile, sans oublier le sous-sol.

Astuce :

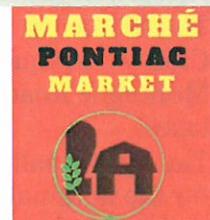

- Procurez-vous un avertisseur avec une pile au lithium, impossible de retirer la pile!
- Rappelez-vous que la durée de vie de tout modèle est de 10 ans!
