7.4 CPTAQ - 2412 Lac-des-Loups Road

WHEREAS this application is part of a corporate approach to the CPTAQ to obtain authorization to use a portion of lot #5 813 976 for purposes other than agriculture to build a sand pit located in the agricultural zone decreed in the Act respecting the preservation of agricultural land and agricultural activities in Quebec (R.S.Q., c. P-41.1);

WHEREAS this application consists in authorizing the use of land in the agricultural zone for purposes other than agriculture, namely a sand pit;

WHEREAS, in accordance with section 58.2 of the Act respecting the protection of agricultural land and agricultural activities, the present notice sent by the Municipality to the CPTAQ is motivated by considering the criteria established in section 62 of the LPTAA;

Municipalité de | Municipality of

Pontiac

WHEREAS, according to the Canada Land Inventory soil classification, the soil where the sand pit will be located is class 4-MF, meaning a soil with very serious limitations, namely low fertility and lack of moisture;

WHEREAS the activities covered by the application for authorization in this sector do not create any constraint with respect to the application of laws and regulations aimed at mitigating the inconveniences related to odours inherent to agricultural activities, since the sector is not used for livestock production. In addition, the sandpits do not create any constraint with respect to the application of environmental laws and regulations, particularly for animal production establishments;

WHEREAS there are at least 5 sandpits within a radius of 1000 metres from the location specified in this application;

WHEREAS the purpose of this application is to authorize a sand pit for a period of 10 years, including occasional crushing and screening operations. Access to the site will be via an access road linking Lac-des-Loups Road to the neighbouring sand pit to the east, then to the site in question. The area concerned is estimated at 5.7 ha.;

WHEREAS there are other vacant lots on the territory of the Municipality of Pontiac which are located outside the permanent agricultural zone, that could accommodate the use;

WHEREAS the use is authorized under the zoning bylaws of the Municipality of Pontiac;

THEREFORE, it is moved by Councillor Susan McKay and seconded by Councillor Leslie-Anne Barber.

AND RESOLVED THAT Council support the citizen's application to the CPTAQ to authorize a sand pit for a period of 10 years, on part of lot #5 813 976.

Carried

21-10-4465

7.5 CPTAQ - 6867 River Road

WHEREAS the application is part of a citizen's approach to the CPTAQ for the alienation / subdivision and to make a non-agricultural or residential use of lot #5 814 556 which is in the agricultural zone decreed in the Act respecting the protection of agricultural land and agricultural activities in Quebec (R.S.Q., c. P-41.1);

WHEREAS, in accordance with section 58.2 of the Act respecting the protection of agricultural land and agricultural activities, the present notice sent by the

Municipality to the CPTAQ is motivated considering the criteria established in section 62 of the LPTAA;

WHEREAS the authorization sought is not incompatible with agriculture since a new agricultural activity will be carried out for the cultivation of fruits and vegetables ;

WHEREAS the activities covered by the application for authorization in this sector do not create any constraint with respect to the application of laws and regulations aimed at mitigating the inconveniences related to odours inherent to agricultural activities, because the sector is not used for livestock production. Furthermore, the sandpits do not create any constraint with respect to the application of environmental laws and regulations, and more specifically for animal production establishments, as the closest active agricultural buildings to the targeted areas appear to be more than 500 metres away;

WHEREAS there are other vacant lots on the territory of the Municipality of Pontiac that could accommodate the residential use located outside the permanent agricultural zone;

WHEREAS the homogeneity of the environment will not be modified, altered or unstructured, given that the lot is already used for a non-agricultural use, namely for residential use;

WHEREAS according to the Canada Land Inventory soil classification, the soil where the new house will be built is class 2-8W 3-2DW, meaning a soil with moderate to fairly serious limitations and which presents either an overabundance of water or an undesirable structure and/or slow permeability of the soil;

WHEREAS the surface area of the intended alienation would be 3035 square metres, therefore smaller than the regulatory standard of 3700 square metres of subdivision bylaw #178-01, section 3.8.1, minimum lot area and frontage;

WHEREAS the frontage of the intended alienation would be smaller than the regulatory standard of 45 metres in subdivision bylaw #178-01, section 3.8.1, minimum lot area and frontage;

WHEREAS the frontage of the original lot would be smaller than the regulatory standard of 45 metres in subdivision bylaw #178-01, section 3.8.1, minimum lot area and frontage;

WHEREAS the application will have to be the object of two requests for minor variances to respect the municipal bylaws for the area and frontage of the lots to be subdivided;

THEREFORE, it is moved by Councillor Leslie-Anne Barber and seconded by Councillor Thomas Howard.

AND RESOLVED THAT Council refuses the citizen's application to the CPTAQ for the alienation/subdivision and for the non-agricultural use for residential purposes of lot #5 814 556, located at 6867 River Road.

THAT this resolution repeals resolution #21-04-4298.
