## **HEAT WAVE: Water shut-off advisory**

Municipality of Pontiac

July 1, 2020 – 7:00 p.m.

### **What you should know:**

- Approximately 15 homes located between Egan Road and Ferry Road will be affected by a water outage this evening due to a water main break.
- This water shut-off will be extended tomorrow, Thursday, July 2, from 6 a.m. to 6 p.m. to all citizens of the Quyon sector as announced in a communication dated June 30, 2020, for a completely different reason; that is, because of sewer rehabilitation work on Saint-Andrew and Saint-John streets.
- Once the water is restored, citizens and establishments connected to the municipal system must boil their water for five (5) minutes before consuming it, for a period of 48 hours as a preventive measure.
